Dear Dr Chua,

On behalf of the Republic of Singapore Navy, I would like to express our heartfelt thanks for the outstanding surgical care and management rendered to ME2 Jason Chee during his accident on 10 Dec 12 and during his subsequent operations when he was in the Intensive Care Unit. With your team's surgical efforts, he survived a tough battle with his injuries.

Thank you again and I wish your department all the best as you continue to provide the high level of clinical care and professionalism to your patients.

Yours Sincerely,

COL (DR) TANG KONG CHOONG
Chief Naval Medical Officer
Navy Medical Service
